

PROGRAM COMMITTEE:

Conchi Ausín
(Universidad Carlos III de Madrid)

Gregor Kastner
(Universität Klagenfurt)

Sylvia Kaufmann (Study Center Gerzensee)

Sylvia Frühwirth-Schnatter
(Wirtschaftsuniversität Wien)

Herman van Dijk
(Erasmus University Rotterdam)

LOCAL ORGANIZERS:

Andrés M. Alonso
Conchi Ausín
Pedro Galeano
Helena Veiga
Michael Wiper

The UC3M Flores de Lemus Institute sponsors a one-day tutorial by Hedibert Lopes on Modern Bayesian Econometrics

Hedibert Lopes (Insper, Brazil) will give a one-day course on Modern Bayesian Econometrics on September 1, 2021. This is a free course aimed at young researchers who have registered for the main conference and have priority, but open to everyone. An email should be sent to esobe2021@gmail.com

Call for Papers

11th European Seminar on Bayesian Econometrics
2-3 September 2021
Universidad Carlos III de Madrid
Spain

The 11th ESOBE (esobe.org), one of the major conferences in econometrics worldwide and the primary event on Bayesian econometrics in Europe is hosted by the Universidad Carlos III de Madrid in Spain on Thursday and Friday, September 2-3, 2021. Depending on the pandemic situation, the conference will take place in a hybrid or fully online format. The scientific program includes:

Keynote speakers

Herman van Dijk (Erasmus University Rotterdam)
Daniel Peña (Universidad Carlos III de Madrid)
Helga Wagner (Universität Linz)

Invited speakers

Manuel Arellano (CEMFI)
Roberto Casarin (Università Ca' Foscari Venezia)
Gael Martin (Monash University)
Enrique Sentana (CEMFI)

Organizer

Sponsors

In addition to invited presentations, the workshop will have contributed sessions, a special session by junior researchers and poster presentations. Submissions for all sessions should be sent to esobe2021@gmail.com by **March 31, 2021**. Successful submissions will be notified by **May 3, 2021**. Information update about registration, fees, travel and accommodation will be available on the ESOBE 2021 website: <http://www.est.uc3m.es/BayesUC3M/ESOBE2021/ESOBE2021.htm>.

Researchers who received their Ph.D. after February 2015 may register as “junior scientist” (a detailed CV must be submitted at the moment of the registration). The Economics, Finance and Business (EFaB) section of the International Society of Bayesian Analysis (ISBA) sponsors a special session for junior scientists. Presenters in this session can request from EFaB financial assistance of up to US\$ 500 each, or, in case of online participation, obtain an EFaB sponsored prize of US\$ 150.
